

The WAVE

Your fifth or sixth grader will really enjoy this “youth ministry” style program geared to the interests of today’s kids. They will enjoy contemporary Christian music, team-competition, crazy games, and skits. We will offer a variety of guest speakers throughout the year as well as practical devotionals enabling students to discover God’s power in their lives. Each student will be assigned to a small group where they will discuss “The WAVE” lesson, pray, and recite their Bible verses. In addition to The WAVE notebook, students who desire to continue in the T & T books are encouraged to do so for extra team points. This is a high-energy program that both leaders and kids enjoy.

Fifth grade girls and boys who wish to continue the Awana program as T & T Girls/Boys will also start with *Start Zone* entrance book (*free*), proceed to *Book One* of the *Ultimate Adventure Series*, and then complete *Book Two* of the *Ultimate Adventure Series*.

Sixth grade girls and boys who wish to continue the Awana program as T & T Girls/Boys will also start with *Start Zone* entrance book (*free*), proceed to *Book One* of the *Ultimate Adventure Series*, and then complete *Book Two* of the *Ultimate Adventure Series*.
