Family Time Q & A

1. What did God say to you today through His Word? What are you going to do about it?
2. Why do you think it was important to catalog the generational lists of the priests and Levites?
3. Some of the Jews were chosen to move from their country towns to Jerusalem in order to safeguard the city and nation. Can you think of any circumstances when, as Christians, we should move or give up personal possessions for the welfare of the church?
4. Discuss why names are important to us. What is conveyed in a person's name?
5. What are your spiritual gifts and how are you using them?
6. Is God calling you to vocational ministry? How do you know?
